1 INTRODUCTION

1.1 PURPOSE OF THIS RFQ

The purpose of this request for qualifications (“**RFQ**”) is to invite interested parties to submit Responses indicating their interest in, and qualifications for, the Valleyview Project (the “**Project**”). Based on these Responses, the Ministry of Technology, Innovation and Citizens’ Services (the “**Authority**”) intends to select, in accordance with the terms of this RFQ, a shortlist of up to three Proponents to be invited to participate in the next stage of the Competitive Selection Process, the Request for Proposals (“**RFP**”) stage.

This RFQ is not a tender or an offer or a request for proposals, and there is no intention by the Authority to make an offer by issuing this RFQ.

Under the Competitive Selection Process, the Authority is seeking to enter into a contract (the “**Design-Build Agreement**”) with a qualified entity (the “**Design-Builder**”) to design and construct a new building to relocate the Maples Adolescent Treatment Centre and Provincial Assessment Centre programs from the Willingdon and Canada Way site in Burnaby, BC to the new Valleyview building at the Riverview Lands in Coquitlam, BC (the “**Facility**”).

If a capitalized term used in this RFQ is not defined in Section 7, it will be defined in the section of the RFQ in which it is first used.

1.2 ADMINISTRATION OF THIS RFQ

Partnerships British Columbia Inc. (“**Partnerships BC**”) is managing this RFQ and the Competitive Selection Process on behalf of the Authority.

1.3 ELIGIBILITY

Any interested party, or parties, may submit a Response to this RFQ. Respondents may be individuals, corporations, joint ventures, partnerships or any other legal entities. If the Respondent is not a legal entity, the Respondent shall act through the legal entity or entities comprising the Respondent.

1.4 PROJECT BRIEF

The Authority has issued a Project Brief for the purpose of providing an informal and convenient summary of aspects of the Project. The Project Brief is not included as part of the RFQ or RFP, and is not intended to be included with, or referred to in any way in interpreting the requirements of, the RFQ, the RFP, the Design-Build Agreement, or to in any way define or describe any party’s rights with respect to the Project.

2 THE PROJECT

2.1 VALLEYVIEW PROJECT

The proposed scope of the Project is a new building accommodating 43 beds in approximately 13,000 gross square metres. The building will accommodate two programs currently housed on the Willingdon and Canada Way site in Burnaby, BC:

- The Maples Adolescent Treatment Centre (the “**Maples**”); and
- The Provincial Assessment Centre (the “**PAC**”).

The Project is part of the redevelopment of the Riverview Lands, a 244-acre site in Coquitlam that was home to Riverview Hospital. It is bounded by Lougheed Highway to the east; Riverview Forest, Riverview Crescent/Chilko Drive and residential developments to the west; Como Lake Road to the North; and Cape Horn to the south.

Figure 1: Riverview Lands in Coquitlam and Project Location

The two programs that will be located in the new building are focused on adolescents:

- The Maples is mandated to provide residential, non-residential and outreach services to support youth, families and communities. Its clients are troubled 12 to 17-year old youth who have significant psychiatric and behavioural difficulties, as well as those youth found Not Criminally Responsible by Reason of a Mental Disorder or Unfit to Stand Trial. The Maples falls under the jurisdiction of the Ministry of Children and Family Development.
- The PAC program provides multi-disciplinary assessments, diagnosis, medication reviews, and treatment planning recommendations for individuals with dual diagnoses, one of which is a developmental disability. Individuals are 14 years and older, and may stay in the facility for up to 90 days. Designated as a tertiary care mental health service under the Mental Health Act, PAC is a part of Community Living British Columbia.

The capital cost of the Project is estimated to be in the range of \$60 - \$65 million.

The scope of work currently anticipated for the Project is discussed in greater detail in Section 2.5.

2.2 PROJECT OBJECTIVES

To aid with the development of the Project scope and infrastructure decisions, project objectives have been established for the Project. The project objectives include the following:

- Allowance for future program growth and consideration of innovative new service delivery methods;
- Improved security and safety – separation of clients;
- Improved social service delivery and reduced waiting periods for admissions;
- Improved accessibility to public transit; and
- Optimized opportunity for partnerships and synergy between programs.

2.3 PROJECT CONSIDERATIONS

Some of the key considerations for the Project include:

- Need for a fast-tracked and firm design and construction schedule, driven by the expiration of the current lease at the Willingdon and Canada Way location in early 2019 for both the Maples and PAC programs;
- Constrained and sloping site with limited laydown areas;

- Need to minimize disruption to ongoing activities at other buildings on the Riverview Lands, including anticipated construction on an adjacent site;
- Cultural and heritage significance of the Riverview Lands to First Nations and the community, including buildings, land and trees, and a commitment by the British Columbia Housing Management Commission (“**BC Housing**”) to the Kwikwetlem First Nation (the “**KFN**”) regarding design considerations reflective of the KFN values and/or culture, and consultation with the KFN on these design considerations.
- Providing a non-institutional, safe and welcoming campus-like environment that recognizes the age demographic of clients; and
- Importance of design in delivering better client outcomes.

2.4 PROJECT TEAM

2.4.1 Ministry of Technology, Innovation and Citizens’ Services

The mandate of the Ministry of Technology, Innovation and Citizens’ Services (“**MTICS**”) is to grow British Columbia’s technology sector, champion innovation, and enable the delivery of cost-effective, accessible and responsive services.

The Real Property Division of MTICS (“**RPD**”) is a full-service real estate and property management service provider with a diverse portfolio of established services, documented processes, and advanced technologies. RPD is responsible for the planning, procurement and delivery of the Project.

Additional information about the Authority is available at:

<http://www.gov.bc.ca/citz/technologyandinnovation/>

2.4.2 Partnerships BC

Partnerships BC was established by the Province of British Columbia to structure and implement partnership delivery solutions for public infrastructure.

The Authority has engaged Partnerships BC to manage the procurement of the Project.

Additional information about Partnerships BC is available at www.partnershipsbc.ca.

2.4.3 Program Leads

The Maples program is part of the Ministry of Children and Family Development. The PAC program is led by Community Living British Columbia.

2.4.4 BC Housing

BC Housing, as owner of the Riverview Lands, is responsible for managing the Riverview Lands on behalf of the Province and is leading an overarching process and plan for their redevelopment.

2.5 ADVANCE WORK BY THE AUTHORITY

The following sections provide an overview of the work undertaken on the Project to date, and work planned to be undertaken prior to Contract Execution.

2.5.1 Approval

The Project has been approved to proceed to procurement by the Province of British Columbia and was announced in December 2015. Further Authority and Province approvals are expected to be required prior to issuance of the RFP.

2.5.2 Deconstruction and Site Preparation

The Authority will obtain all necessary permits and procure the appropriate contractors to remediate hazardous materials and demolish the existing building. The Site will be provided to the Design-Builder in a condition appropriate for the commencement of design and construction. The Project is expected to connect to existing services on the Riverview Lands, including sewer and water.

2.5.3 Electrical and Communications Services

The Authority, in cooperation with BC Housing, is working to ensure that electrical and communications services are available for connection at the Site once the existing building has been demolished.

2.5.4 Building Occupancy Classification

The Authority will work with the City of Coquitlam (the “**City**”) to develop guidance in interpreting occupancy classifications under the BC Building Code. This guidance will be provided to Proponents during the RFP stage.

2.5.5 Cultural and Heritage Elements in Design

The Authority will work with BC Housing and the KFN to develop a set of design requirements in relation to KFN cultural and heritage elements of design. These requirements will be provided to Proponents as part of the RFP.

2.5.6 Programming

The Authority is in the process of completing its programming, indicative design and drafting of the specifications for the design and construction of the Project (the “**Statement of Requirements**”) that will form part of the Design-Build Agreement.

2.6 GENERAL SCOPE OF DESIGN-BUILDER'S RESPONSIBILITY

2.6.1 Design-Build Agreement

The Project will be managed under one Design-Build Agreement. The Authority intends to attach an Initial Draft Design-Build Agreement to the RFP which will include:

- (a) Statement of Requirements for the design and construction of the Facility; and
- (b) Proposed commercial terms.

The Final Draft Design-Build Agreement will be the basis upon which the Proposals will be prepared in response to the RFP.

2.6.2 General Scope of Responsibility

The Authority anticipates that the general scope of the Design-Builder's responsibility under the Design-Build Agreement will be as follows:

(a) Design

The Design-Builder will be responsible for all aspects of the design for the Facility including the integration of the various building components with each other. The final design will comply with the Statement of Requirements that will be provided to Proponents in the Design-Build Agreement, and all applicable laws, including the City zoning.

In addition, the Design-Builder will be responsible for ensuring that the design of the Facility is consistent with the design guidelines being developed by BC Housing together with the KFN.

(b) Construction

The Design-Builder will be completely responsible for:

- (1) obtaining all permits and approvals necessary for construction of the Facility, excluding zoning approvals already in place, but including an occupancy classification;
- (2) connection to utilities and other site services required to support the Facility, including off-site works as required to connect the Facility to existing site infrastructure;
- (3) design and construction of the Facility; and
- (4) Substantial Completion of the Facility by December 2018.

(c) Payment

It is anticipated that the Authority will make progress payments during construction (the amount, timing and terms and conditions of which will be set out in the RFP).

It is anticipated there will be a Design-Build Price Ceiling in the RFP stipulating a maximum of the progress payments over the construction period, and that it will be mandatory to comply with this requirement.

(d) Wood First

As contemplated by the Wood First Act (British Columbia), the Design-Builder will be required to use wood in the Project consistent with Wood First legislation.

(e) Leadership in Energy and Environmental Design (“LEED[®]”)

The Design-Builder will be required to build the Facility to achieve LEED[®] Gold certification.

(f) Communication and Consultation

The Authority and Design-Builder will work together on all aspects of public communication and consultation as set out in the Design-Build Agreement.

(g) Apprentices on Public Projects in British Columbia Policy and Procedures Guidelines

Respondents are referred to the “Apprentices on Public Projects in British Columbia Policy and Procedures Guidelines”. The Guidelines address use of registered apprentices and reporting on registered apprentices and trainees.

The Guidelines are available at: <http://www2.gov.bc.ca/gov/content/industry/construction-industry/apprentices>.

The Design-Build Agreement includes a requirement for the Design-Builder to comply with the policy, procedure and guidelines.

2.6.3 Additional Proponent Team Members and Key Individuals

Respondents should anticipate that in the RFP the Authority will, in its discretion, require within four weeks of the release of the RFP, as a condition of continued status as a Proponent, that Proponents nominate the following:

- (a) a lead mechanical and electrical engineering firm, or firms; and
- (b) a security lead who will be responsible for providing expertise on all security-related elements of the Project.

All such firms and Key Individuals will be subject to the approval of the Authority, acting reasonably.

In regards to all Key Individuals, Respondents should also anticipate that the Authority will include certain deductions to the Design-Builder, and/or payments to the Authority, in the Design-Build Agreement to address the availability of Key Individuals. In certain instances where a Key Individual resigns or is otherwise unavailable to perform the duties, and no replacement satisfactory to the Authority has been retained within the specified timelines, certain deductions and payments may be required in recognition of the resulting costs and/or losses or damages incurred by the Authority.

2.7 COMMERCIAL TERMS

The following are some of the key commercial terms that the Authority anticipates will be included in the Design-Build Agreement:

- (a) **Payment:** The Authority will make progress payments to the Design-Builder over the construction period as defined in the Design-Build Agreement.
- (b) **Price:** It is anticipated that the successful Proponent will not exceed the Design-Build Price Ceiling threshold to be set out in the RFP.
- (c) **Risk Allocation:** The Design-Build Agreement will allocate risks to the party best able to manage that risk. Risks allocated to the Design-Builder will include design, schedule and price.
- (d) **Two-Year Warranty:** The Authority anticipates requiring the Design-Builder to provide a two-year warranty for the Project.

3 COMPETITIVE SELECTION PROCESS

This section describes the process that the Authority expects to use in the selection of a Preferred Proponent and the execution of the Design-Build Agreement. The anticipated Competitive Selection Process includes two stages: (a) the RFQ stage; and (b) the RFP stage, which includes Contract Execution.

3.1 RFQ STAGE

The Authority anticipates that it will select a shortlist of no more than three Respondents to be Proponents, and then issue an RFP to that shortlist only, from which the Preferred Proponent will be selected in accordance with the terms of the RFP.

3.2 RFP STAGE

The Authority's objective at the RFP stage is to select the Preferred Proponent with whom it may enter into the Design-Build Agreement. The RFP stage is expected to include:

3.2.1 Collaborative Meetings

The RFP stage will include collaborative discussions (the "**Collaborative Meetings**") relating to technical and commercial matters through workshops and topic meetings in accordance with the terms of the RFP, to allow Proponents to provide comments on Project-specific issues raised through the process. Attendance at Collaborative Meetings will be in person.

The Authority anticipates that the RFP stage will allow Proponents to provide input on the Initial Draft Design-Build Agreement as follows:

- (a) the Authority will invite each Proponent to review the Initial Draft Design-Build Agreement as attached to the RFP and then meet confidentially and separately with the Authority to discuss any comments or amendments that the Proponent requests to be considered;
- (b) the Authority will consider all comments and requested amendments received from the Proponents and may, at the discretion of the Authority, amend the Initial Draft Design-Build Agreement, and by one or more Addenda issue a revised Initial Draft Design-Build Agreement; and
- (c) ultimately the Authority will issue the Final Draft Design-Build Agreement as the common basis for the preparation of Proposals by the Proponents.

3.2.2 RFP Submission

The form of the RFP submission will be described in the RFP and is expected to address both technical and financial aspects of the Project. It is anticipated that a technical submission addressing the technical aspects of the RFP will be submitted in advance of the financial submission. The RFP submission is expected to include the following:

- (a) a fully binding Proposal to design and construct the Facility;
- (b) a commitment to enter into the Design-Build Agreement by the Design-Builder; and
- (c) committed pricing for the Project, inclusive of all taxes except GST.

3.3 COMPENSATION FOR PARTICIPATION IN THE COMPETITIVE SELECTION PROCESS

The Authority will not provide any compensation to Respondents for participating in the RFQ stage of the Competitive Selection Process.

If the Competitive Selection Process continues into the RFP stage, the Authority intends to make provision for partial compensation in the amount of \$75,000, inclusive of all taxes, payable to each unsuccessful Proponent in accordance with the terms of the RFP.

- (d) subject to Section 4.7 (c), any Enquiry and response may, in the Authority's discretion, be distributed to all Respondents, if the Authority in its discretion considers the matter to be a matter of substance or a matter that should be brought to the attention of all Respondents for purposes of fairness in, or maintaining the integrity of, the Competitive Selection Process. The Authority does not assume any risk or responsibility or liability whatsoever to any Respondent:

- (a) for ensuring that any electronic email system being operated for the Authority or Partnerships BC is in good working order, able to receive emails, or not engaged in receiving other emails such that a Respondent's email cannot be received; and/or
- (b) if a permitted email communication or delivery is not received by the Contact Person, or received in less than its entirety, within any time limit specified by this RFQ.

4.10 ADDENDA

The Authority may, in its discretion through the Contact Person, amend or clarify the terms or contents of this RFQ at any time before the Submission Time by issuing a written Addendum. Written Addenda are the only means of amending or clarifying this RFQ, and no other form of communication, whether written or oral, including written responses to Enquiries as provided by Section 4.7, will be included in, or will in any way amend or clarify this RFQ. Only the Contact Person is authorized to amend or clarify this RFQ by issuing an Addendum. No other employee or agent of the Authority is authorized to amend or clarify this RFQ. 4.14 RELATIONSHIP DISCLOSURE FORM

Respondents are required to complete the Relationship Disclosure Form, substantially in the form attached as Appendix E, or as otherwise acceptable to the Authority in the Authority's discretion, and

should include the completed form as part of their Response. The Relationship Disclosure Form will be executed by a signatory with authority to bind each member of a Respondent Team, and for clarity such signatory may be different than the Respondent's Representative.

5 EVALUATION

The evaluation of Responses will be carried out by the Authority with assistance from other persons as the Authority may decide it requires, including technical, financial, legal and other advisors or employees of the Authority or Partnerships BC.

5.1 EVALUATION CRITERIA

The Authority will evaluate Responses by application of the Evaluation Criteria as outlined in Appendix A.

5.2 EVALUATION AND SELECTION PROCEDURES

The Authority will evaluate based on the content in Table 3 of Appendix A but may also consider information received from (a)-(e) below.

To assist in the evaluation of the Responses, the Authority may, in its discretion, but is not required to:

- (a) conduct reference checks relevant to the Project with any or all of the references cited in a Response to verify any and all information regarding a Respondent, inclusive of its directors/officers and Key Individuals;
- (b) conduct any background investigations and/or seek any additional information that it considers necessary in the course of the Competitive Selection Process, including with respect to Nominated Projects and projects in which a Respondent Team member has been involved in the last five years but which are not Nominated Projects;
- (c) seek clarification of a Response or supplementary information from any or all Respondents;
- (d) request interviews with any, some, or all Respondents to clarify any questions or considerations based on the information included in Responses or seek any supplementary information; and
- (e) rely on and consider any information obtained as a result of such reference checks, background investigations, requests for clarification or supplementary information, interviews, and/or any additional information in the evaluation of Responses.

The Authority is not obligated to complete a detailed evaluation of all Responses and may, in its discretion, after completing a preliminary review of all the Responses, discontinue detailed evaluation of any Respondent who, when compared to the other Respondents, the Authority judges is not in contention to be shortlisted.

The Authority will notify Respondents of the RFQ results by sending a written notice to the Respondent's Representative.

The Authority will conduct a debriefing, upon request, for any Respondent if the debriefing is requested within 90 days after a shortlist has been announced. In a debriefing the Authority will discuss the relative strengths and weaknesses of that Respondent's Response, but the Authority will not disclose or discuss any confidential information of another Respondent.

5.3 INTERVIEWS

Respondents may be required by the Authority to have interviews regarding their Response during the evaluation process at the request of the Authority. The presentations should be specific to the Project and may not contain any marketing information of the Respondent or any member of the Respondent Team.

5.4 CHANGES TO RESPONDENT TEAMS

The Authority intends to issue the RFP only to Respondents that have been shortlisted under this RFQ as Proponents for the RFP stage. If for any reason after the Submission Time a Respondent wishes or requires to add, remove or otherwise change a member of its Respondent Team, or there is a material change in ownership or control (which includes the ability to direct or cause the direction of the management actions or policies of a member) of a member of the Respondent Team, or there is a change to the legal relationship among any or all of the Respondent and its Respondent Team members, then the Respondent must submit a written application to the Authority for approval, including supporting information that may assist the Authority in evaluating the change. The Authority, in its discretion, may grant or refuse an application under this Section, and in exercising its discretion the Authority will consider the objective of achieving a Competitive Selection Process that is not unfair to the other Respondents. For clarity:

- (a) if the application is made after the Proponents have been determined, the Authority may refuse to permit a change to the membership of a Respondent Team if the change would, in the Authority's judgment, result in a weaker team than was originally shortlisted; or
- (b) the Authority may, in the exercise of its discretion, permit any changes to a Respondent Team, including changes as may be requested arising from changes in ownership or control of a Respondent or a Respondent Team member, or changes to the legal relationship among the Respondent Team members such as the creation of a new joint venture or other legal entity or relationship in place of the Respondent Team.

The Authority's approval may include such terms and conditions as the Authority may consider appropriate. This Section 5.4 shall apply until issuance of the RFP.

6 RFQ TERMS AND CONDITIONS

6.1 NO OBLIGATION TO PROCEED

This RFQ does not commit the Authority in any way to proceed to an RFP stage or award a contract, and the Authority reserves the complete right to, at any time, reject all Responses and to terminate the Competitive Selection Process established by this RFQ and proceed with the Project in some other manner as the Authority may decide in its absolute discretion.

6.2 FREEDOM OF INFORMATION AND PROTECTION OF PRIVACY ACT

All documents and other records in the custody of, or under the control of, the Authority are subject to the Freedom of Information and Protection of Privacy Act (“**FOIPPA**”) and other applicable legislation.

By submitting a Response, the Respondent represents and warrants to the Authority that the Respondent has complied with applicable laws, including by obtaining from each individual any required consents and authorizations to the collection of information relating to such individual and to the submission of such information to the Authority as part of the Response for the purposes of this RFQ and the Competitive Selection Process.

6.3 CONFIDENTIALITY OF AUTHORITY INFORMATION

All non-public information pertaining to, or provided by or on behalf of, Partnerships BC or the Authority obtained by a Respondent as a result of participation in this RFQ is confidential and will not be disclosed without written authorization from Partnerships BC or the Authority (as applicable). Except as expressly stated in this RFQ and subject to the FOIPPA or other applicable legislation, all documents and other records submitted in response to this RFQ will be considered confidential; however, such information or parts thereof may be released pursuant to requests under the FOIPPA or other applicable legislation.

By submitting a Response, a Respondent will be deemed to have agreed to all the terms of the Confidentiality Agreement attached as part of Appendix C to this RFQ.

Proponents will also be required to sign a Participation Agreement as a condition of participating in the RFP, and such agreement will include confidentiality and other provisions. The Authority expects that the form of the Participation Agreement will be substantially as set out in Appendix F.

The Authority has engaged Partnerships BC. Partnerships BC has been and continues to be involved in other projects, and the Authority may receive information in respect of other projects which may be relevant to the Project. information that is available from this Project to Partnerships BC and other projects and may obtain information from other projects.

6.4 COST OF PREPARING THE RESPONSE

Each Respondent is solely responsible for all costs it incurs in the preparation of its Response, including without limitation all costs of providing information requested by the Authority, attending meetings, and conducting due diligence.

6.5 NO REPRESENTATION OR WARRANTY

Each Respondent acknowledges by its submission of a Response that it has investigated and satisfied itself of every condition that affects the Project. Each Respondent further acknowledges and represents that its investigations have been based on its own examination, knowledge, information and judgment, and not upon any statement, representation or information made or given by the Authority, the Contact Person or any advisor to the Authority, other than the information contained in this RFQ. Submission of a Response is deemed to be conclusive evidence that the Respondent has made such investigations and that the Respondent is willing to assume, and does assume, all risks affecting the Project, except as otherwise specifically stated in this RFQ. The Authority accepts no responsibility for any Respondent lacking any information.

6.6 RESERVATION OF RIGHTS

The Authority reserves the right, in its discretion, to exercise any or all of the following rights:

- (d) waive a defect, irregularity, non-conformity or non-compliance in or with respect to a Response or failure to comply with the requirements of this RFQ, except for Mandatory Requirements, and accept that Response even if such a defect, irregularity, non-conformity or non-compliance or failure to comply with the requirements of this RFQ would otherwise render the Response null and void;

- (e) not accept any or all Responses;
- (f) reject or disqualify any or all Response(s) for any reason without any obligation, compensation or reimbursement to any Respondent or any of its team members;
- (g) re-advertise for new Responses, call for quotes, proposals or tenders, or enter into negotiations for this Project or for work of a similar nature;

Each Respondent, by submitting a Response, agrees that in no event will the Authority or Partnerships BC, or any of their employees, advisors or representatives, be liable, under any circumstances, for any Claim, or to reimburse or compensate the Respondent in any manner whatsoever, including but not limited to costs of preparation of the Response, loss of anticipated profits, loss of opportunity, or for any other matter. Without in any way limiting the above, each Respondent specifically agrees that it will have absolutely no Claim against the Authority or any of its employees, advisors or representatives if the Authority for any reason whatsoever:

- (c) accepts any compliant or non-compliant Response or selects a shortlist of one or more Respondent(s);
- (d) under the terms of this RFQ, permits or does not permit a Restricted Party to advise, assist or participate as part of a Respondent Team; or
- (e) for any breach or fundamental breach of contract or legal duty of the Authority, whether express or implied.

The Respondent waives any and all Claims whatsoever, including Claims for loss of profits or loss of opportunity, if the Respondent is not shortlisted in the Competitive Selection Process or for any other reason whatsoever.

6.8 OWNERSHIP OF RESPONSES

All Responses submitted to the Authority become the property of the Authority.

6.9 DISCLOSURE AND TRANSPARENCY

The Authority is committed to an open and transparent Competitive Selection Process while understanding the Respondents' need for protection of confidential commercial information. To assist the Authority in meeting its commitment, Respondents will cooperate and extend all reasonable accommodation to this endeavour.

The Authority expects to publicly disclose the following information during this stage of the Competitive Selection Process: this RFQ document, the number of Respondents, and the names of Proponents.

To ensure that all public information generated about the Project is fair and accurate and will not inadvertently or otherwise influence the outcome of the Competitive Selection Process, the disclosure of any public information generated in relation to the Project, including communications with the media and the public, will be coordinated with, and is subject to prior approval of, the Authority.

Respondents will notify the Authority of any and all requests for information or interviews received from the media.

Respondents will ensure that all members of the Respondent Team and all others associated with the Respondent also comply with these requirements.

6.10 NO COMMUNICATION OR COLLUSION

By submitting a Response, a Respondent, on its own behalf and as authorized agent of each firm, corporation or individual member of the Respondent Team, represents and confirms to the Authority, with the knowledge and intention that the Authority may rely upon such representation and confirmation, that its Response has been prepared without collusion or fraud, and in fair competition with Responses from other Respondents.

Respondents and their Respondent Team members are not to discuss or communicate, directly or indirectly, with other Respondents or their Respondent Team members or any of their respective directors, officers, employees, consultants, advisors, agents or representatives regarding the preparation, content or submission of their Responses or any other aspect of the Competitive Selection Process.

6.11 NO LOBBYING

Respondents and their respective Respondent Teams, the members of their Respondent Teams, and their respective directors, officers, employees, consultants, agents, advisors and representatives will not engage in any form of political or other lobbying whatsoever in relation to the Project, this RFQ, or the Competitive Selection Process, including for the purpose of influencing the outcome of the Competitive Selection Process. Further, no such person (other than as expressly contemplated by this RFQ) will attempt to communicate in relation to the Project, this RFQ, or the Competitive Selection Process, directly or indirectly, with any representative of the Authority, the Government of British Columbia (including any Minister or Deputy Minister, any member of the Executive Council, or any Members of the Legislative Assembly, or any employee of the Authority), BC Housing, Community Living British Columbia, Ministry of Child and Family Development, Partnerships BC, any Restricted Parties, or any director, officer, employee, agent, advisor, consultant or representative of any of the foregoing, as applicable, for any purpose whatsoever.

In the event of any lobbying or communication in contravention of this Section by any Respondent, Respondent Team members, or their respective directors, officers, employees, consultants, agents, advisors or representatives, the Authority in its discretion may at any time, but will not be required to, reject any and all Responses submitted by that Proponent without further consideration.

6.12 RELATIONSHIP DISCLOSURE AND REVIEW PROCESS

The Authority reserves the right to disqualify any Respondent that in the Authority's opinion has a conflict of interest or an unfair advantage, whether it is existing now or is likely to arise in the future, or may permit the Respondent to continue and impose such conditions as the Authority may consider to be in the public interest or otherwise required by the Authority.

Respondents will submit the form attached as Appendix E and disclose all conflicts of interest or unfair advantage.

Respondents, including all firms, corporations or individual members of a Respondent Team, will promptly disclose to the Contact Person any potential conflict of interest and existing business relationships they may have with the Authority, Partnerships BC or any members of the Authority or others providing advice or services to the Authority with respect to the Project, or any other matter that gives rise, or might give rise, to an unfair advantage. At the time of such disclosure, the Respondent will advise the Contact Person how the Respondent proposes to mitigate, minimize or eliminate the situation.

For the purposes of this RFQ, references to unfair advantage include references to confidential information that is not, or would not reasonably be expected to be, available to all Respondents.

The Authority and the Conflict of Interest Adjudicator (the “**COI Adjudicator**”) may, in their discretion, consider actual, perceived or potential conflicts of interest and unfair advantage.

6.12.1 Use or Inclusion of Restricted Parties

The Authority may, in its discretion, disqualify a Respondent, or may permit a Respondent to continue and impose such conditions as the Authority may consider to be in the public interest or otherwise required by the Authority, if the Respondent is a Restricted Party, or if the Respondent uses a Restricted Party:

- (a) to advise or otherwise assist the Respondent respecting the Respondent’s participation in the Competitive Selection Process; or
- (b) as a Respondent Team member or as an employee, advisor or consultant to the Respondent or a Respondent Team member.

Each Respondent is responsible, and bears the onus, to ensure that neither the Respondent nor any Respondent Team member uses or seeks advice or assistance from any Restricted Party or includes any Restricted Party in the Respondent Team except as permitted by this Section 6.12.

There is no requirement for all issues to be referred to the COI Adjudicator.

6.12.5 Request for Advance Decision

A Respondent or a prospective member or advisor of a Respondent Team who has any concerns regarding whether a current or prospective employee, advisor or member of that Respondent Team is or may be a Restricted Party or has a concern about any conflict or unfair advantage it may have, is encouraged to request an advance decision in accordance with this Section.

6.12.6 The Authority May Request Advance Decision

The Authority may also independently make advance decisions, or may seek an advance decision from the COI Adjudicator, where the Authority identifies a potential conflict, unfair advantage or a person who may be a Restricted Party. The Authority will, if it seeks an advance decision from the COI Adjudicator, provide the COI Adjudicator with relevant information in its possession. If the Authority seeks an advance decision from the COI Adjudicator, the Authority will give notice to the possible Respondent and may give notice to the possible Restricted Party so that they may provide input regarding the issues raised to the COI Adjudicator.

The onus is on the Respondent to clear any potential conflict, unfair advantage, or Restricted Party, or to establish any conditions for continued participation, and the Authority may require that the Respondent make an application under Section 6.12.5.

processes from time to time, including any circumstances in which a decision may be amended or supplemented.

6.12.8 Exclusivity

Unless permitted by the Authority in its discretion or permitted as a Shared Use Person, each Respondent will ensure that no member of its Respondent Team, any firm or employer of any of its Key Individuals, or any Affiliated Person of any member of its Respondent Team, or any firm or employer of any of its Key Individuals, participates as a member of any other Respondent Team.

If the Respondent contravenes the foregoing, the Authority reserves the right to disqualify the Respondent, or to permit the Respondent to continue and impose such conditions as may be required by the Authority. Each Respondent is responsible, and bears the onus, to ensure that the Respondent, each member of its Respondent Team, and their respective Affiliated Persons do not contravene the foregoing.

A Respondent or a prospective Respondent Team member who has any concerns regarding whether participation does, or will, contravene the foregoing is encouraged to request an advance decision. To request an advance decision on matters related to exclusivity, the Respondent or prospective Respondent Team member should submit to the Contact Person, not less than ten (10) Business Days prior to the Submission Time by email, the following information:

- (a) names and contact information of the Respondent or prospective Respondent Team member making the disclosure;
- (b) a description of the relationship that raises the possibility of non-exclusivity;
- (c) a description of the steps taken to date, and future steps proposed to be taken, to mitigate any material adverse or potential material adverse effect of the non-exclusivity on the competitiveness or integrity of the Competitive Selection Process; and
- (d) copies of any relevant documentation.

The Authority may require additional information or documentation to demonstrate to the satisfaction of the Authority in its discretion that no such non-exclusivity exists or, if it does, that measures satisfactory to the Authority in its discretion have been or will be implemented to eliminate or mitigate any risk to the competitiveness or integrity of the Competitive Selection Process.

The Authority may also independently make advance decisions, or may seek an advance decision from the COI Adjudicator, where the Authority identifies a matter related to exclusivity. The Authority will, if it seeks an advance decision from the COI Adjudicator, provide the COI Adjudicator with relevant

information in its possession. If the Authority seeks an advance decision from the COI Adjudicator, the Authority will give notice to the Respondent so that it may make its own response to the COI Adjudicator.

The onus is on the Respondent to clear any matter related to exclusivity or to establish any conditions for continued participation, and the Authority may require that the Respondent make an application under Section 6.12.8.

6.12.10 Exclusivity – Decisions Final and Binding

The decision of the Authority or the COI Adjudicator, as applicable, is final and binding on the persons requesting the ruling and all other parties including Respondents, Respondent Team members and the Authority. The Authority or the COI Adjudicator, as applicable, has discretion to establish the relevant processes from time to time, including any circumstance in which a decision may be amended or supplemented.

By submitting a Response, the Respondent expressly consents to Bull, Houser & Tupper LLP continuing to represent the Authority for all matters in relation to this RFQ and the Project, including any matter that is adverse to the Respondent, despite any information of the Respondent and any solicitor-client relationship that the Respondent may have had, or may have, with Bull, Houser & Tupper LLP in relation to matters other than this RFQ and the Project.
