Preamble

Partnerships British Columbia Inc. (“Partnerships BC”), a company wholly owned by the Province of British Columbia reports to its shareholder, the Minister of Finance. Partnerships BC’s mandate includes assisting public sector client agencies in identifying and managing public private partnership opportunities. This includes providing specialized services, ranging from advice to project leadership/management, to government and government agencies with respect to identifying opportunities for maximizing the value of public capital assets and developing public private partnerships.

The company’s clients are public sector agencies and authorities, including ministries, Crown corporations, post-secondary institutions and health authorities. In addition, Partnerships BC’s clients include municipalities, regional districts and government entities outside of British Columbia.

1.0 Introduction

1.1 Purpose

Partnerships BC and/or Partnerships BC's clients often engage Fairness Advisors in roles related to the procurement of innovative infrastructure and services delivery projects, including public private partnerships. This RFQ is being issued by Partnerships BC to obtain information from suitably qualified individuals interested in providing Fairness Advisory services.

Partnerships BC's List of Qualified Fairness Advisors (the List) was established in 2006 to facilitate the identification and engagement of suitably qualified Fairness Advisory service providers for occasions when such services are required. Throughout the intervening period, the List has remained open to individuals and firms seeking to be added (as explained in Appendix A – Maintenance and Use of the List).

Partnerships BC now seeks to provide an opportunity for individuals and firms not included on the 2006 List to submit their information. In addition, Fairness Advisors included on the 2006 List, who wish to continue to be included, are being asked to update their information. The information provided by all Respondents will be used to establish a renewed List of prequalified advisors.

1.2 Eligibility

Any interested party, or parties, may make a Response to this RFQ. Respondents may be individuals, corporations, joint ventures, partnerships, or any other legal entities.

However, Fairness Advisors are listed on an individual basis. Therefore, Respondents wishing to put forward the names of multiple Candidates must follow the submission instructions detailed in Appendix B carefully to ensure that sufficient information is provided for each Candidate.

1.3 Nature of the Work

The Fairness Advisor is responsible for observing and/or monitoring the fairness of the procurement process as described in the procurement documents. That is, the engagement involves commenting on whether an Owner followed the process set out in the procurement documents. The Fairness Advisor will provide milestone reports (at the end of the RFQ and RFP stages) and ad hoc reports as required to the project senior governance body. Both the milestone reports and the ad hoc reports will be publicly released, unless there are issues of proponent confidentiality.

The Fairness Advisor reports to the project senior governance body or, if there is no senior governance body, to a senior employee within the Owner (i.e. Deputy Minister) who has responsibility for project delivery and governance.

In order to maintain the autonomy of the Fairness Advisor, if or when a party on the List enters into a Contract with Partnerships BC, the advisor, its firm and potential affiliates may not be eligible to work for any potential bidder on any projects in which Partnerships BC is involved. This determination will depend on the nature of the work and will be assessed on a case by case basis.

2. Establishing the List of Qualified Fairness Advisors (the List)

2.1 Establishing the List

This RFQ asks qualified individuals and firms interested in providing Fairness Advisory Services to Partnerships BC to follow the submission instructions detailed in Section 4, and to provide the information requested in Appendix B with respect to each Candidate's experience.

Fairness Advisory service providers who are currently included on the 2006 list must submit a Response to this RFQ as per the submission instructions if they wish to continue to be considered for future assignments. A renewed Response is requested so that information related to Candidates' qualifications and experience is profiled in a consistent manner for all Candidates. Candidates on the current list will have their names removed from the list if they do not respond to this RFQ.

Partnerships BC will review and classify the Responses. Based on that review and classification, Partnerships BC intends to establish a List of Qualified Fairness Advisors (the List).

2.2 Evaluation Criteria

Respondents will be considered for eligibility on the basis of the information presented in the Response and in any subsequent clarifications and reference checks.

Detailed criteria are set out in the Response Guidelines and Evaluation Criteria in Appendix B. The evidence required to support each criterion is to be included in the Response.

2.3 Review Process

Upon receipt, all Responses will be reviewed for completeness in accordance with the Response Format and Content detailed in Table 1, Appendix B.

Each Response will be reviewed by a Partnerships BC Committee, in accordance with the Evaluation Criteria and will take into consideration the following:

- Documents submitted in response to this RFQ;
- Information, provided in writing, in response to questions asked by Partnerships BC; and,
- Reference and other checks.

To assist in reviewing the Responses, Partnerships BC may, at its sole and absolute discretion:

- Conduct reference checks with any or all of the references cited in a Response, and conduct any background investigations that it considers necessary;
- Rely on and consider any information from such cited references;
- Take into consideration information from other sources;
- Seek clarification from any or all Respondents or seek further information from any or all Respondents; and,
- Request in-person meetings with any or all Respondents to clarify any questions and/or considerations based on the information included in the Responses.

2.4 Notification of Results

When the review process is completed and the List from this process finalized, Partnerships BC will notify Respondents in writing of the results.

2.5 Maintaining the List

Any individual or firm may submit their qualifications for consideration to be added to the List at any time during the term of the List, and any person who is included on the List may submit amendments to their qualifications. Partnerships BC may, from time to time and at its sole discretion, review such submissions received after the Submission Time. The List is expected to be in place for a period of approximately two years from the Submission Time of this Request for Qualifications.

In order to ensure consideration for Fairness Advisory engagements on upcoming projects, Respondents are encouraged to make their submissions by the Submission Date specified on the cover page to this Request for Qualifications.

2.6 Use of the List
