

PERFORMANCE EVALUATION PROCESS PRESIDENT AND CHIEF EXECUTIVE OFFICER

I. INTRODUCTION

- A. The evaluation of the President and Chief Executive Officer (the “CEO”) is one of the most important responsibilities of the Board. The evaluation process provides a formal opportunity for the Board and CEO to have a constructive discussion regarding the performance of Partnership British Columbia (“PBC”) and the CEO’s leadership of the Company.
- B. The Board works through the Human Resources and Governance Committee (the “Committee”) in implementing the evaluation process, although the Board is involved in approving CEO objectives and reviewing the final evaluation.

II. BENCHMARKS

The following constitute the benchmarks against which the review takes place:

- A. A written statement of the CEO’s personal goals for the year under review. These goals have been agreed to by the CEO and the Board at the beginning of the year under review.
- B. The Company’s performance against the:
 - (i) Service Plan; and
 - (ii) Annual operating and capital plans.
- C. Board approved terms of reference for the CEO.

III. THE PROCESS

- A. The Committee is charged with leading and implementing the CEO evaluation.
- B. At the beginning of the review period the Committee reviews and the Board approves the CEO’s objectives.

- D. The CEO's self-appraisal shall be in written form.
- E. The self-appraisal is discussed by the CEO with the Committee in advance of the Committee's ensuing evaluation of the CEO.
- F. Once the Committee has received and discussed the self evaluation:
 - i) each Committee member contributes his/her assessment of the CEO's performance to the Board Chair; and
 - ii) these individual assessments are then consolidated by the Board Chair into a statement from the Board to the CEO.
