

Assistant Vice-Presidents

Partnerships BC is a provincial agency that supports provincial ministries, health authorities, crown corporations and other public sector agencies in meeting their infrastructure needs by providing advice, leadership, expertise and consistency in the procurement of complex capital projects by utilizing private sector innovation to deliver measurable benefits for the citizens of British Columbia. Partnerships BC is owned by the Province of British Columbia and governed by a board of directors.

Partnerships BC has a strong and growing project pipeline. Reporting to a sector Vice-President, Assistant Vice-Presidents will lead their respective portfolios in the healthcare and transportation sectors, supported by teams of Project Directors and Senior Associates. Assistant Vice-Presidents have significant impact on projects that are of high visibility and importance to the Province and British Columbians.

You will:

- Provide leadership in the development of new clients and projects in your assigned sector.
- Oversee the development and execution of complex projects through business case, procurement, negotiation and implementation phases.
- Develop and maintain senior client and stakeholder relationships.
- Provide leadership, mentorship and guidance to internal project staff.
- Lead in the development of guidance documents, and participate in corporate decision-making around business development and stakeholder relations.

You bring:

- A strategic client focus and strong relationship-building skills with clients and stakeholders.
- A track record of planning, procuring and implementing large, complex projects.
- Recognition as a people leader with a strong ability to develop, mentor and coach multi-disciplinary teams.
- Excellent communication skills to enhance the organization's already strong professional reputation.
- 10-15 years of relevant project management experience with large, complex infrastructure projects. An educational background in engineering, finance, law, or other relevant discipline will be an asset.
