Summary of Change

RFQ Section

Appendix B, Section 1.1

Description of Clarification

Limit to the number of pages permitted in the RFQ Submission.

RFQ Submissions should be no more than 100 pages single sided or 50 pages double sided, including cover pages, table of contents, appendices and section dividers with a maximum page size of 8.5" x 11". Text font should be Arial or Times New Roman with a minimum font size of 11 point and minimum line spacing of 1.5.

All Submissions should be loose leaf bound in three-ring binders.

The recommended maximum page numbers is included to give guidance as to the anticipated level of effort. Respondents may choose to provide differing levels of detail. If the total page limitation is exceeded, the evaluation committees may choose which pages to disregard.
