- Tour will include 4100 portal, 4100 bench, 4150 bench, outfall and access route.

Addendum 4

Date: February 9, 2004

Addition to **Section 10.6 Project Understanding**

The Province is seeking comments from the private sector regarding the ownership of the water treatment plant (the asset). The Province would like feedback regarding the ownership of the asset and the financial impacts on the project. This feedback will not be scored or evaluated as part of your submission.

Addendum 5

Date: February 9, 2004

Addition to ***Section 7.2 Who Are Restricted Parties***

The Province is adding the following firms to the list of Restricted Parties: Capital Works Inc. and Kaehne Consulting Ltd.
