
PART 2 OF SCHEDULE 4

NEW HIGHWAY

The New Highway will consist of that portion of Highway 97 shown on the drawing attached hereto and identified as Part 2 of Schedule 4 from the approximate midpoint of the curve between Campbell Road intersection and the existing maintenance building to east of the Abbott Street intersection, i.e., Station 26+60.00 to Station 45+77.00, in accordance with the specific roadway stationing referenced on Drawing No. 1458-163. Includes the New Crossing, but not the Existing Bridge.

After completion, the New Highway will be surveyed and a definitive plan will be inserted into this Schedule.
